MANILA WAREHOUSE HUB

- **75 boxes** – Stored inside the wing van; boxes are wet and severely damaged, rendering them **undeliverable**.
- **10 boxes** – No shipment details available (missing information).
- **89 boxes** – Undelivered due to the following reasons:
 - Unlocated or incomplete addresses
 - Recipient not residing at address
 - Contact numbers unreachable or not responding but still attempt to deliver

TARLAC HUB

- **75 boxes** – Undelivered due to:
 - Unlocated addresses
 - Incomplete shipment details
 - Contact numbers unreachable

CAPIZ HUB

- **18 boxes** – Undelivered due to:
 - Recipient not residing at address
 - Unlocated addresses
 - Incomplete shipment details
 - Contact numbers unreachable or not responding but still attempt to deliver

CEBU HUB

- **19 boxes** – Undelivered due to:
 - Unlocated addresses
 - Incomplete shipment details
 - Contact numbers unreachable or not responding but still attempt to deliver

DAVAO HUB

- **3 boxes** – Undelivered due to:
 - Unlocated addresses
 - Inactive contact numbers

TRASH / DAMAGED BOXES

- **17 boxes** – Declared as **total loss** due to severe damage and foul odor. These boxes are no longer salvageable and have been disposed of accordingly.

During unloading, **2 boxes** were found severely damaged with contents spilled and emitting a strong odor. The items were unsalvageable and were immediately discarded.

- **Note:** Photos of the damaged/trash boxes are attached for reference.

SUMMARY

The primary causes of undelivered shipments include:

- Incomplete or incorrect address details
- Attempted deliver Unreachable or inactive contact numbers
- Recipient not residing at address
- Severe damage to boxes during handling or storage
